Liturgist

This morning we've gathered with praise and thanksgiving

To celebrate God for the lives we are living.

We especially lift up our thanks here today,

While getting prepared for Thanksgiving Day.

But let's not forget all our many great blessings

Once the turkey's been eaten, along with the dressings!

For gratitude is a large part of faith's story –

And one that is used here for God's greater glory.

May God guide us all as we worship today;

As we sing, as we share, as we wait, as we pray.
